

## How Vino Moi Works

Contributed by R. Eriks Goodwin

Bring your favorite brand of the wine of the month (must be under \$20 retail) and ten bucks (goes towards wine crackers and room set-up costs). It will be bagged and numbered upon entrance. Participants will sample and rate each bottle. The top three chosen by the group will be published in next month's Bull & Bear Club newsletter and here on the group's web site.

Registration is required to attend -- Registrations restricted to just 25 people, so register today!
